## Bring me Back into the Body of Christ

### Zion Updates

On Sunday, the day of the Lord, Christian, a child of God finds himself not attending any church in particular. He found himself not in any home church but on the street. Out of the body of Christ, like a dead man experiencing out of body experience.

And met his pastor friends by the name Solomon and Felix who went to church. Solomon went to a church he himself had founded. But Felix went to a church founded by another man of God, a great man of God. A big congregation.

At the time they closed from church and returned back home, behold they met Christian, their friend. On the streets of UGC last stop. Who had bought street food to eat.

These two men were beautifully dressed in church apparel. Because he was not properly dressed he was ashamed of himself.

### A PRAYER

**“Deliver me from the body of the frog, without Christ into the body of Christ, into my home in heaven.”**

So he sneaked out from their eyes so that they might not see him eating on the street. When he sneaked out among them, then the two Christians encountered each other. As friends, as brothers, as one body. This oneness happened because Christian connected them together as one.

### Narrow Way Leads Back to the Body of Christ

When he left the body of Christ, he rather attended a university lecture for a very long time. Not minding the lecture of Christ from the church. At the end of the lecture, a field trip was made compulsory for all the student learners. All were gathered into a coaster bus having a .gov government plated number plate.

# From Narrow to New Life

That drove all students including children, sons and daughters to the Volta region. To its capital city called Ho, they were driven further into the main market, called the street market. On the day of the Lord, being Sunday, in which most stores had closed.

The driver kept on driving through the ranks of this market straight forward. Until he reached the end of the road, in which there was no way the bus could progress further. Nevertheless, he knew the road could still be accessed. Not straight forward but branching right. A tiny lane, a narrow road, so narrow that only one person can branch at a time. As for the coaster bus, the only way it could branch was for it to be folded flat.

So the driver quickly folded the coaster bus as flat and made entry into the narrow road. When he did this, behold it rendered all the Voltarians vanish out of sight. The family that fought against the new life in Christ Jesus. And to all the people in the coaster bus it became a new life. That was the new life in Christ Jesus for all men. But only accessible by entering through the narrow way.

<sup>22</sup> But you have come to **Mount Zion** and to the city of the living God, the heavenly Jerusalem, to an innumerable company of angels, <sup>23</sup> to the [a]general assembly and church of the firstborn who are registered in heaven, to God the Judge of all, to the spirits of just men made perfect, <sup>24</sup> to Jesus the Mediator of the new covenant, and to the ***blood of sprinkling that speaks better things*** than that of Abel.
