INSTANT HEALING FOR ALL CHRONIC BLOODLINE DISEASES, & BROKEN RELATIONSHIPS

Blood of Fault Finding

Brother Christian visited a christian sister called Vera who had rented a room in the same area with him. She was having an issue of blood. In the evening he prayed with the sister saying, "LORD, HELP ME DIAGNOSE AND TREAT THIS PECULIAR PROBLEM OF ISSUE OF BLOOD THIS SISTER IS EXPERIENCING".

A time of deep sleep fell upon them. Giving room for the landlady, Janet, a **fault finding Believer** to enter into the living room of the sister. At times too the two of them were just relaxing, or playing together as friends but she entered their room annoyingly.

The way Janet entered their room was by supernatural means, supernatural perception, and supernaturally activated ears. That she might find something to accuse them of, especially accuse them of fornication.

Blood of Accusations Becoming Hatred

As time went on, the elder sister of Christian, his blood sister joined the company of Landlords and Ladies and entered into their room without knocking by the same drive of accusation.

When they didn't find anything in the living room to accuse them of, behold, they attacked them in the compound of the house. In the open area, saying to the Christian, "the sister friend of yours has a problem with

sweeping, she doesn't sweep very well to our liking, when she sweeps, we have to repeat sweeping after her". They said these words behind her back. And seeing her come closer, they stopped the conversation and ran off her sight. Then their accusation grew to hatred for Vera without a cause.

When their compound accusations didn't succeed, they began to accuse the sister in the whole community about her wedding with the gentle brother. That was to happen in the same house, the same was a live happening in the whole community.

Accusing her saying, "you don't deserve to be married in this house because of the way you have lived your life. There's no way for you to marry in this house as long as you live in this house. You are just coming from a broken relationship with one child without a father. Go and marry that father who is your first-love boyfriend, who has a well-paid government job. Adding, this house shall block all ways leading to your wedding destination. You shall never get a gentleman of this sort to marry you even though you are a nurse". Her accusers grew together as "the accuser of the brethren, that old serpent, the adversary, the Devil and Satan." Don't be **a fault finding Believer** to activate the nature of the serpent in you.

Blood Without Knocking

The same company of the accuser of the brethren went ahead of the sister and brother into their mother church and accused them before the elders of the church secretly about their sleeping in the same without doing the wedding first. The church elders without a notice paid an unannounced visit to the brother and sister following a tip off they received from landlords, landladies, blood sister or brother and community members that the two christians' are staying together in the same room. Among them a notable name appeared as Michael of Christ Salvation Evangelistic ministry, Michael, Pastor of Victory Congregation Presbyterian church. God being so good, behold at the time they entered the porch of the sisters' room, Christian was rather sitting in the porch area. And the Vera was in the living room with her biological sister who had paid her a

visit. So they could not find anything to accuse them of. Nevertheless, because their appearance was hasty and without any notice it frightened them both. Also they all speedily entered the living room of Vera without knocking. Making them see the half nakedness of these sisters. Making them voiced out saying "at least a knock would have been of great help."

Blood of Sign Language

Again, the same landlords, blood sister or brother, friends and community members, when they reported them to their pastors, went on further and reported Christian's presence staying together with a girlfriend to their biological mother and father. And the mother, not knowing the house came straight forward into the house and demanded her son's immediate leave back home. But he insisted, "please mum, kindly take leave of me. For your son shall come home in the evening." Because she came in right at the time they were having the blood bible study discussions.

Nevertheless, the landlady Janet, acted out secretly by a sign language to the mother saying: "not so, take him with you back into your home now, separate the two of them now, let them not be together." Yet the Christian perceived the interpretation of the sign language. And over ruled returning home that same evening but by another day.

Instant Travel to Many Nations, Many Cities, Many Houses and People.

From that time forward, Christian started bible study discussions with Vera to help her overcome all her bloodline diseases, chronic problems, broken relationships and blood sacrifices against and contrary to her.

Notwithstanding, the church and Pastor Michael started another meeting in the same living room. And because they were the head-figures of the church she attended they quickly overpowered the blood bible studies the brother taught Vera. And started a fresh bible study for all of them, including compelling Christian to join them because he was alone.

Before he could join the bible studies, he was required to lift over his head a certain covenant cup all drank from. Everybody was made a partaker of the act so it was made compulsory for him who was experiencing the fellowship for the very first time. When he raised the covenant cup over his own head, an unknown air carriage power lifted him very high into the atmosphere to many foreign lands, many nations, many cities, many regions, many households, and many people without any need of knocking before entering into their lives or privacy.

Like a certain evangelistic covenant that enters all households, nations and families to save or heal or minister to people, nations and tongues, families(blood) by one message, by one covenant irrespective of all their differences.

Nevertheless, a better way to have achieved this was as **“Behold, I stand at the door and knock, if any man hears my voice, and opens the door, I will come in to him, and dine with him and he with me”** Rev. 3:20”

Answer to Diagnosis and Treatment of all Issues of Blood

An answer to the prayer topic “LORD, HELP ME DIAGNOSE AND TREAT THE PECULIAR PROBLEM OF ISSUE OF BLOOD SISTER VERA IS EXPERIENCING”, was expressed as a table prepared before Vera as a table of showbread, even the table of the Lord. Behold on this table were garden eggs, turkey berries, and other vegetables from the farm of the biological father who was Nameless, Faceless and Selfless. The table was stated as **“thou prepares a table before me in the presence of my enemies, thou anoint my head with oil, my cup of healing from the issue of blood runs over”**.

Once and for all Eternal Redemption for all Issues of Blood

The leader of the bible studies on behalf of the church, Pastor Michael appeared as a Dr. of blood, dressed in white apron. He projected all blood stains, blood diseases, chronic sicknesses, broken relationships, blood altars and sacrifices on the board. And gave all blood working solutions to it. Noting out saying, among all these blood related diseases there is only one blood that has power to help you overcome all of them. The sacrificial blood of animals. The blood of goats, and the blood of sheep, the blood of oxen etc. When he made this point very clear to all of them, something pricked the heart of Christian saying, **‘not the blood of goats or calves or sheep or oxen but by his own blood he entered once into the holy place having obtained an eternal redemption once and for all’**.

Sum of Diagnosis and Treatment and Instant Healing Prayer

1. Firstborn from the dead Jesus, you are the door to the sheepfold. By you I stand at the door and knock at the door of my mother tongue, family and nation. By you let the doorkeeper open the door of healing for all my issues of blood. By you let me hear your voice and come out of all my issues of blood.
2. Prepare a table of over chronic bloodline diseases before her in the presence of my enemies, anoint me with the oil of gladness above the adversaries of chronic bloodline diseases, let my cup of healing run over the cup of all chronic bloodline diseases.
3. Not the blood of goats or calves or sheep or oxen but by his own blood he entered once into the holy place having obtained an eternal redemption once and for all my the chronic bloodline diseases”.
