## Appearing as the Copyright Image of the Father and Likeness

A white cat appeared on the sofa of a certain Boniface without knocking. And bearing the image of "AS HE IS SO I AM IN THIS WORLD". (1st John 4:17) The entrance of the cat released a thief from entering her porch while her door was not closed so that he might steal her living bread. The opposite of "AS HE IS SO I AM IN THIS WORLD."

The thief who identified himself as Eric started seizing a brand new Samsung A04e phone from the hands of his Boniface. Likened to Boniface being a Christian losing the battery energy of his phone. The same as losing his energy of persistent prayer.

**By losing the charge of his phone, his prayer energy, something ushered him to the land sitting in darkness and in the valley of the shadow of death. Having crossed over a black river on the land called Bia, to Antwi Agyei, the land of no return.**

Yet he returned supernaturally straight into his Father's room on the land of no return as a young child. In which his biological father loving all children gave to him two young kids to look after them for him. One had a toilet smeared all over his body, and the other was bouncing and handsome without a toilet. So naturally Boniface said to the toilet child, I hate the unpleasantness of the toilet and despised him, and chose the better child.

Nevertheless, the biological father said "as for me I love the toilet pretty well, and I love children in such a state of shame much more". And cared for the child the Boniface despised in his own eyes so much.

## Shame Uncovered

As time went by, Boniface grew in the house of Joseph in UGC into a better Christian. And at his maturity stage in his Christian life he emptied his bowels into a polythene bag. At the time he was greatly afraid of what people in the community would say about him.

Moreover, he went to UGC, to the house of Clement, and emptied his bowels into a polythene bag again. Because he didn't want to disgrace himself by sleeping in a lady friend's room. He forgot to cover it or throw it away during the day. Then it attracted a lot of flies because of its heavy scent. Then his sisters by the name Mercy and Forgiveness, being his biological sisters, saw this as their brother's Boniface toilet that was left uncovered.

At this time he picked cleaning elements that he might go and clean it. But his biological father covered his toilet for him. As if he flashed it off all eyes. That no eye could see his son's toilet in the open places to disgrace him.

## How the Father Covers Our Shame?

The Abba Father of fathers covered the shame of the toilet of his son, Boniface "AS THE APPEARANCE OF A FLASH OF LIGHTENING". He flushed it off from all memory and covered it from the eyes of all men. So that no man could ever disgrace his sons and daughters of their sin and shame anymore.

Eze. 1:14

14 And the living creatures ran back and forth, in appearance like a flash of lightning.

## A Confession Making You Appear as the Copyright Image of the Abba Father

"Abba Father, make me appear in the image of God you created me. After your likeness of Nameless, Faceless and Selfless. Because as you are, so am I in this world."

"Make me a living creature to return from the land of "dust you are and dust you shall return" as the appearance of a flash of lightning"
