Source of True Power of Pentecost!

A certain Christian Brother, a Lamb's Coach, saw his elder brother Eric, coming from a classroom of a mouse trap, a mouse house, a small hole and classroom. Who had a lot of belittleness in himself.

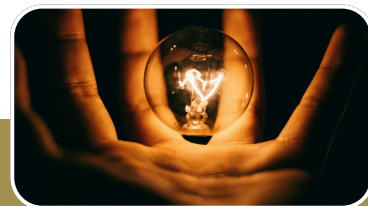

As soon as he came out, behold smoke of air, cloudy air of smoke started forming from nowhere around him, and attacked him to remain in his little mouse stature. But his Christian brother, the Lamb's coach picked up the smoke of this air as clouds of threatening unto belittleness and rebuked the clouds for him. And separated him from the clouds of belittleness.

When he was separating him from the clouds, another battle attacked the two of them coming from the Prince of Universal Gospel Community. A Prince with his kinsmen staged a dance and demanded Eric the Lamb from the hands of his Christian brother who delivered him. But he fought back, saying no way. And faced directly these princes', about seven of them.

Then a hoe weapon sword appeared in his hands and he went forth attacking the first Prince by the hoe sword. Cutting of his head. And the second and the third Princes by the same hoe sword.

Naming Heads of Power

And the name of the third Prince popped up facially as "WISDOM". Whose head was cut off. And all the remaining four Princes began to be afraid of him. And it appeared all these seven Princes were named after the order of false "POWER, RICHES, WISDOM, STRENGTH, GLORY, HONOR, AND BLESSING".

Becoming Worthy of Pentecost Power

Therefore, each false head of power, riches, wisdom, strength, glory, honor and blessing he did cut off was making him worthy. Being made worthy to receive true power, true riches, true wisdom, true strength, true glory, honor and blessing. And greatness out of the belittleness of his own blood brother Eric.

Saying of Power Transfer

Exactly as joining in to the host of Heaven; "saying with a loud voice, Worthy is the Lamb that was slain to receive power, and riches, and wisdom, and strength, and honour, and glory, and blessing.
