

## Coming Out of House of Bondage; A Fast Order Approach

A certain child of God, of the lineage of Joseph lived at UGC, inside the family house of his uncle Joseph. He desired to exit the house and start a new family as a husband and wife.

He came closer to the main gate that leads outside of the family house three times. And saw the gates opened by itself three times. At each opening he went to the door and closed it himself. The three in one openings are listed below;

1. Easyway out
2. Exit out by seven ways
3. First and Last awake door

After he closed the exit door three times, he found himself sleeping in a bedroom in a mosquito net on a bed. Something carried him out of the bedroom into the compound of the house in the early hours of the morning where all people had awakened out of their sleep at night. But he was still sleeping.
