<<ZION OF GLORY>>

Zion Updates

A child of Zion waited together with his nuclear family for a car to his Father's hometown. They waited for a very long time but the waiting car never came to pick them up. So for a long time they concluded to pick a trotro bus to their destination.

As soon as the whole family unit decided and when some had started entering the trotro, a natural drive of urination came upon the Zion Child. He stepped forth by the road side to urinate and his urination delayed, so the trotro left him behind. Being left behind he seemed to be with his newfound girlfriend whom he kept secret from the whole family.

One time his girlfriend decided to walk to his mother and inform her of their relationship. But a certain daughter with a sharp tongue picked the secret relationship between Zion and Gloria and exposed it to her mother.

However, the mother of Zion refused to tolerate the blabber. And said to her "I know it already." Even though she wasn't aware of it. And remained calm at his beloved son, Zion. Never attacking him and his new girlfriend. And the thing surprised Zion and Gloria together.

Big NO to Old Traditions!

At the time Zion went to his mother he found out that his sisters were putting pants on her private parts as if she had gone into a situation that required these sisters to put the pants on her. Because of the new behavior Zion had put on.

So Zion asked all this nuclear family together as one. Saying when you entered the trotro bus, did you go to my father's hometown to perform old traditions and customs? They all answered, NO!

Zion laid his hands on the private part of Gloria and prayed all the time for her. It came to a time they had sex together. It seemed as something Gloria shouldn't have allowed Zion. Also he shouldn't have gone that far. It seemed as if the glory on the face of Zion was wiped out for two consecutive times. It seemed like the fear of pregnancy without a wedding at first. It seemed like an unbearable pressure hitting Zion.

What it Seemed with Eye of Glory

The eye of glory in Zion saw it as Gloria on her mattress, that a man in all white apparel, like an angel stood on the bed of Gloria . And ministered to her sexual healing. Who opened the heavens and lifted up Gloria to see her own family in heavenly places. Saying to her "this is your family, where you belong. You are not of this earth."

Eye of No Glory

On the contrary another eye of condemnation in Zion, saw it as an invisible man, full of controlling women with his love without them knowing. Stood by the bed of Gloria and had sex with her out of invisibility. Just like dream state sex where perpetrators are invisible men.

Eyes of Ataa Janet

In the house of Ataa Janet, house of protocols, house of fault finding believers, she saw Gloria and Zion as though not married but breaking the courting protocol, and marriage protocol. Doing things together as married couples. Even like bathing together in her washroom.

So Ataa Janet cast devices in her washroom to make it difficult for them to use her washroom. And despised them in her own eyes. So Zion spoke out to Gloria saying, "it is better to brush and bathe outside than this washroom."

How to Come Out?

As for Zion, the way out for him from his nuclear family, out of the eyes of no glory, the eyes that looks down upon upon men and women in sin was rehearsed to him by Gloria whom he helped as -- Ezekiel 1:14

"And the living creatures ran and returned as the appearance of a flash of lightning"

Scripture Reading

-- Revelation 19:7-9

7Let us be glad and rejoice, and give honour to him:
for the marriage of the Lamb is come, and his wife hath made herself ready.

8And to her was granted that she should be arrayed in ***fine linen, clean and white:*** for the fine linen is the righteousness of saints.

9And he saith unto me, Write, Blessed are they which are called unto the marriage supper of the Lamb. And he saith unto me, These are the true sayings of God.

A Wedding Prayer

1.Gloria, come for the marriage of the Lamb. Make yourself ready as the wife of the Lamb. And to Gloria was granted that she should be arrayed in fine linen, clean and white:

2.Living Creature Jesus, make us a living creature to run out from old customs, old traditions, and all kinds of legalities against our wedding upon Mount Zion.

Great and Effective Sponsored Sex of Glory

Zion and Gloria lifted up above into a house above the earth. Like a big auditorium or big hall. People recently married or about to be married sleeping on a big bed.

In the room one could hear the sound of sexual intercourse going on between couples or partners on the beds. But all faces looked like they were working on other things. Or chatting or just enjoying the company of friendship. Without any image of sexual intercourse.

Zion walked to the front door of the high building. Seeing a great and a very effective door that opened from a step downstairs to the earth. The same stairs he climbed from the earth into the high building of Mount Zion.

As soon as he stepped on the first step downstairs, something invisible pulled him downwards. Which he discerned as old traditions and customs. Having power to rob any child of God of his/her faith in Mount Zion. The Zion of the blood of sprinkling that speaks better things than the blood of Abel and Cain. The **Zion of the blood without blame or blemish**. But he cried and climbed back into the high building of Zion quickly.

When he climbed back, he went straight upon his own bed. A bed that was fully sponsored. On this bed lay Glory and naked. So, he climbed the bed all by himself. And saw no disturbances, no eyes watching them, no stepdaughters or sons and nothing on the bed but just Glory.

A Great Door and Effectual

As for sound, the only thing he heard was the sound men and women make at the time of having sexual intercourse. The intercourse of Zion and Glory.

So Glory called him to touch her naked ass with his nakedness. And began to teach him how to touch the ass, and have great and effective sex with the Glory of God.

Behold all the experience were mimicking;

“For a great door and effectual is opened unto me, and there are many adversaries”.
